**ACCEPTANCE/REJECTION OF BIDS, PROPOSALS, OR LIMITED SOLICITATION RESPONSES:** The State reserves the right to accept or reject any or all bids, proposals, or limited solicitation responses, wholly or in part, and to make awards in any manner deemed in the best interest of the State. Bids, proposals, and limited solicitation responses will be firm for 30 days, unless stated otherwise in the text of the invitation for bid, request for proposal, or limited solicitation.

**ACCESS AND RETENTION OF RECORDS:** The contractor agrees to provide the department, Legislative Auditor, or their authorized agents, access to any records necessary to determine contract compliance. **ALTERATION OF SOLICITATION DOCUMENT:** In the event of inconsistencies or contradictions between language contained in the State's solicitation document and a vendor's response, the language contained in the State's original solicitation document will prevail. Intentional manipulation and/or alteration of solicitation document language will result in the vendor's disqualification and possible debarment.

**ASSIGNMENT, TRANSFER AND SUBCONTRACTING:** The contractor shall not assign, transfer or subcontract any portion of the contract without the express written consent of the department. (Section 18-4-141, MCA.)

**AUTHORITY:** The attached bid, request for proposal, limited solicitation, or contract is issued under authority of Title 18, Montana Code Annotated, and the Administrative Rules of Montana, Title 2, chapter 5.

**COMPLIANCE WITH LAWS:** The contractor must, in performance of work under the contract, fully comply with all applicable federal, state, or local laws, rules and regulations, including the Montana Human Rights Act, the Civil Rights Act of 1964, the Age Discrimination Act of 1975, the Americans with Disabilities Act of 1990, and Section 504 of the Rehabilitation Act of 1973. Any subletting or subcontracting by the contractor subjects subcontractors to the same provision. In accordance with section 49-3-207, MCA, the contractor agrees that the hiring of persons to perform the contract will be made on the basis of merit and qualifications and there will be no discrimination based upon race, color, religion, creed, political ideas, sex, age, marital status, physical or mental disability, or national origin by the persons performing the contract.

**CONFORMANCE WITH CONTRACT:** No alteration of the terms, conditions, delivery, price, quality, quantities, or specifications of the contract shall be granted without prior written consent of the State Procurement Bureau. Supplies delivered which do not conform to the contract terms, conditions, and specifications may be rejected and returned at the contractor's expense.

**DEBARMENT:** The contractor certifies, by submitting this bid or proposal, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. If the contractor cannot certify this statement, attach a written explanation for review by the State.

**DISABILITY ACCOMMODATIONS:** The State of Montana does not discriminate on the basis of disability in admission to, access to, or operations of its programs, services, or activities. Individuals who need aids, alternative document formats, or services for effective communications or other disability related accommodations in the programs and services offered are invited to make their needs and preferences known to this office. Interested parties should provide as much advance notice as possible.

**FACSIMILE RESPONSES:** Facsimile responses will be accepted for invitations for bids, small purchases, or limited solicitations ONLY if they are completely received by the State Procurement Bureau prior to the time set for receipt. Bids, or portions thereof, received after the due time will not be considered. **FAILURE TO HONOR BID/PROPOSAL:** If a bidder/offeror to whom a contract is awarded refuses to accept the award (PO/contract) or fails to deliver in accordance with the contract terms and conditions, the department may, in its discretion, suspend the bidder/offeror for a period of time from entering into any contracts with the State of Montana.

**FORCE MAJEURE:** Neither party shall be responsible for failure to fulfill its obligations due to causes beyond its reasonable control, including without limitation, acts or omissions of government or military authority, acts of God, materials shortages, transportation delays, fires, floods, labor disturbances, riots, wars, terrorist acts, or any other causes, directly or indirectly beyond the reasonable control of the nonperforming party, so long as such party is using its best efforts to remedy such failure or delays.

**HOLD HARMLESS/INDEMNIFICATION:** The contractor agrees to protect, defend, and save the State, its elected and appointed officials, agents, and employees, while acting within the scope of their duties as such, harmless from and against all claims, demands, causes of action of any kind or character, including the cost of defense thereof, arising in favor of the contractor's employees or third parties on account of bodily or personal injuries, death, or damage to property arising out of services performed or omissions of services or in any way resulting from the acts or omissions of the contractor and/or its agents, employees, representatives, assigns, subcontractors, except the sole negligence of the State, under this agreement.

**LATE BIDS AND PROPOSALS:** Regardless of cause, late bids and proposals will not be accepted and will automatically be disqualified from further consideration. **1. PARTIES**

THIS CONTRACT is entered into by the State of Montana, (hereinafter referred to as “the State”) whose address and phone number are P.O Box 200135, Helena, MT 59620-0135, 406-444-2575 and the parties identified Attachment A – Vendor Directory (hereinafter referred to as “Contractors”).

**THE PARTIES AGREE AS FOLLOWS:**

**2. EFFECTIVE DATE, DURATION, AND RENEWAL**

**2.1 Contract Term.** This contract shall take effect on November 1, 2008 and terminate October 31, 2011, unless terminated earlier in accordance with the terms of this contract. (Section 12)

**2.2 Contract Renewal.** This contract may, upon mutual agreement between parties be renewed in 1-year intervals, or any interval that is advantageous to the State. This contract, including any renewals, may not exceed a total of 7 years

**2.3 Exclusive Contract.** The intent of this contract is to provide state agencies with an expedited means of procuring propane delivery. This contract is considered to be an “Exclusive” use contract and state agencies must obtain the specified product/service from the contract holder(s), unless the contract allows otherwise. However, the State Procurement Bureau does not guarantee any minimum usage totals and it is the individual agency’s responsibility to comply with the terms of the contract.

**3. MONTHLY PRICE ADJUSTMENTS**

**3.1 Price Changes.** Vendors awards by location are included as Attachment B of this contract. The price per gallon of each location is the amount the bidding vendor agreed to charge based upon the average rack price (\$0.985/gallon) of Conoco and Exxon refineries, Billings, MT, on October 17, 2008. Through the contract term, The State Procurement Bureau will obtain an average rack price the first of each month; compare it to the contract base price of \$0.985; and issue a pricing addendum effective the 6<sup>th</sup> day of each month. Per the monthly addendum, contractors will be instructed whether to increase or decrease the **original bid price** per location to calculate a new price per gallon contract holders may charge State agencies. The monthly changes will be based upon market changes as monitored by the State Procurement Bureau.

In the event this pricing structure becomes unworkable, detrimental to the State, or does not accurately depict market conditions, the State reserves the right to modify the pricing structure to reflect market conditions; adjust the monthly effective date; or cancel the contract by giving 45 days written notice to contract holders. The State may not be held liable for any costs of lost profits resulting from contract cancellations.

The vendor bid process and base rack pricing described above is based upon the State’s Invitation for Bid #SBP09-1081D and published addenda.

**3.2 Monthly Addendum.** Contractors should check the “term contract” website for the monthly contract addendum or following a rapid change in wholesale pricing. The State reserves the right to modify pricing per Section 4.2.3.4 of IFB #09-1081D. Contractors unable to locate either the term contract or monthly addenda should contact the State Liaison identified in Section 13.

#### **4. SERVICES AND/OR SUPPLIES**

**4.1 Propane Service.** Contractor agrees to provide to the awarded locations propane deliveries within a reasonable time frame as designated by the individual ordering agency.

**4.2 Tanks.** Propane tanks at each location are designated as “State” owned or “Vendor” owned (tanks supplied by the contract holder). Previous contract holders will be removing their tanks for replacement by the new contract holders, as required. **THE COST OF TANK CHANGEOVERS RESULTING FROM BID AWARDS ARE THE RESPONSIBILITY OF THE SUCCESSFUL VENDOR. TANK RENTAL FEES, IF ANY, ARE TO BE INCLUDED IN THE BID PRICE PER GALLON.**

As defined above, the two reports shall be for the service periods defined as “Purchasing Report #1” and “Purchasing Report #2”. Contractors shall clearly label each report with 1) The Service Period; and 2) The Contract Number.***

The State Procurement Bureau may check reported volumes and dollar totals against state records for verification. A Contractor failing to provide timely or accurate reports provides the State justification for contract cancellation and/or consideration for future State contract awards.
